

PICKLEBALL POLICIES

Effective May 8th, 2023

- The CCRC will tentatively reserve one basketball court (3 pickleball courts) from 9 am-12 pm on Mondays, Tuesdays, and Thursdays.
- Pickleball play during this time will be free for members of the CCRC. Members must sign in when they arrive. Individuals who are not members may purchase a day pass for \$7 (\$5 for individuals 65+).
- Pickleball players must set up and take down their own nets.
- If you must move bleachers and benches, we ask that you put them back when you are finished playing. Exit doors CANNOT be blocked by bleachers.
- Players may set up on a second basketball court if the need arises and there is open space.
- Individuals with a membership or day pass may play pickleball outside of the designated time as long as there is a court available and not being used by other members or day pass users.
- Pickleball courts may be reserved outside of the designated times by renting a basketball court. Basketball courts (3 pickleball courts) may be rented at a cost of \$50 an hour for residents of Central and Clemson or \$65 an hour for non-residents. Court availability and rental inquiries can be sent to Brandon Cloer at bcloer@cityofclemson.org.
- The CCRC reserves the right to rent out court space that may interfere with the designated pickleball times.
